I am writing to you as a postal voter at this very important election to ask for your support for the Liberal Democrat Focus Team

As you may already know I am standing for election as:-

- A LOCAL resident who lives in Eastville Ward
- The Focus editor who works very closely with Cllr Muriel Cole
- Someone who has already helped hundreds of residents through casework and campaigns

Many people are predicting that Labour will finally be removed from office in Bristol this year, but we cannot do it without your vote.

Bristol Labour has failed our City:-

- Our Secondary Schools are second from bottom in the whole Country.
- Social Services overspent by millions of pounds under Labour control.
- Labour are to close day centres and cut our "Meals on Wheels" service.
- New Labour has closed even more local Post Offices than the Tories did!

The Liberal Democrats are pledged to reverse the "Meals on Wheels" cuts. We have collected over 250,000 signatures on our "Save the Post Office" petition and promise to "Axe the Council Tax", and replace it with a local tax based on people's ability to pay. The Tories are a distant third, and have been for nearly 10 years, they cannot win in Eastville Ward. Please use your vote to send Bristol Labour the only message that they understand - defeat in the ballot box!

You have TWO votes in this election, one for Councillor and one for Member of Parliament. Please elect me as Councillor for Eastville, so I can work for you on Bristol City Council.

Thank You.

Steve Comer

Liberal Democrat Candidate -- Eastville Ward
